Reframe to WIN
Grant Seekers' Conference

Saturday, January 24, 2026
10 AM EST / 9 AM CST / 8 AM PST
4 Hour Conference Plus Breaks

Jennifer Beane
MPH

Sharon Campbell
PHD

Charly McCracken
PMP

The only conference you need in 2026 to help you get your mission funded. Gain a strong understanding of the federal, state, local, foundation, and corporation landscape.

This intensive virtual training is a strategic response to the regulatory upheaval that has left countless organizations uncertain about their funding future. While others scramble to understand what they can't say, this conference teaches you what you should say to win.

What We Will Cover

- Up-to-the-minute grant policy intelligence
- Grant Seeker Industry Best Practices
- Hands-on access to proprietary AI tools for grant writing compliance and content alignment
- *Excellence-Driven Narrative (EDN)* grant writing style that funders and grant writers prefer
- Resources and prompt templates for qualifying for grants and utilizing AI

Three Powerful Trainers

Gain expert training in grant writing, review, best practices, and learn how to utilize AI tools fueled by the EDN to empower your proposal to be highly competitive. **REFRAME to WIN!**

Four Powerful AI Tools

- **Narrative Reframing Engine** - Built to reframe individual grant components to ensure compliance.

- **Compliance Scanner** - Specifically developed to compare entire grant applications for compliance.

- **Social & Web Content Reviewers** - Ensures that online digital content across platforms fully aligns with your grant proposal.

- **Marketing Materials Analyzer** - This tool was trained and tailored to analyze and restructure all marketing materials while maintaining effective marketing messaging.
